cordially invite the public to a free virtual educational program:*

Herbs From the Witch's Garden

by Andrea Jackson, Pittsburgh, PA.

As the days shorten and evening shadows lengthen, quiet whispers fill the air as Halloween approaches. For centuries this time of year has been magical and mystical and certainly a bit spooky. Come explore some of the well known and more esoteric herbs that contribute to magical traditions.

DATE: WEDNESDAY, September 23, 2020

TIME: 10:00 am. to 11:00 am

LOCATION: Virtual Presentation via Go To Meeting (see info below)

About our speaker: Andrea is a member of the Herb Society of America, Western Pennsylvania Unit and is a contributor to their blog. She also is a member of the American Herbalists Guild, Piccadilly Herb Club and the American Botanical Council. Andrea is a Phipps and Penn State Master Gardener with additional certification in Sustainable Horticulture. She is also a Registered Nurse.

Andrea teaches the herb section of the Phipps Master Gardener Course and has lectured to groups ranging from professional organizations to garden clubs. She was featured on an ABC local news affiliate about a segment on medicinal herbs. Among her special interests are the medicinal uses of herbs, herbal lore and beneficial uses of weeds. She has over thirty years' experience studying, lecturing about and loving herbs.
